INWARD PROCESSING

INWARD PROCESSING is an EU fiscal regime that allows vessels under temporary admission with non-EU owner, non-EU flag to do repairs and maintenance without paying 21% VAT.

Lantimar Yachting and Lantimar Logistics & Customs, officially Authorized Economic Operators (AEO), are allowed to perform and manage refits under TPA regime in any Spanish port, marina, or shipyard.

The two companies, working side by side and sharing know-how and experience at an international level, guarantee an efficient and smooth Inward Processing management.

- Non eu flag
- Non eu ownership
- Temporary importation

BUNKER

Lantimar Group fully owns a Fuel Bunker Broker agency operating worldwide:
MULTINATIONAL FUELING.

We can supply both duty free/duty paid fuel, subject to local/national rules (AGO, MGO, DMA, IFO). MF offers a complete bunkering service for yachts, cruise ships, merchant and navy army, including advice on duty and tax regulations for fueling.

Delivered directly by truck, by barge or through port's fuel stations and whatever the size and capacity of tank, your vessel will be supplied with fuel at every location.
