ISLAND BALLO- NING

Enjoy a fantastic hot air balloon ride over the rocky island of Ibiza. The aerial views of its rural farmlands and the coastline dotted with sandy beaches and coves are truly amazing. Balloon rises gently, transporting us to the most oneiric of the dreams: flying, floating, like on a cloud, to be part of the air, to glide with the wind, so gently that it seems that we do not move, as if the landscape moves slowly to show us its best splendor from such a privileged position.

- ✓ **PLEASE BRING:** Please wear comfortable shoes and clothes. Sunglasses, cap and sun cream are recommended. If it is a chilly morning, bring a jersey or jacket to wear
